

To Whom It May Concern:

I am pleased to be writing this letter in support of Ryan Marley's "His Fight Is My Fight". Ryan is again raising funds through the University Hospitals Kingston Foundation in support of Pancreatic Cancer at KHSC.

He is hosting the annual *Marley Fights "Fore" Leukemia* Golf Tournament which will be held on Sunday, August 11th at Rideau Lakes Golf & Country Club in Westport. The funds raised from this year's event will be directed to Pancreatic Cancer fund KHSC in memory of his mom, last year's tournament raised over \$15,000!

The University Hospitals Kingston Foundation is the sole fundraising arm for the Kingston Health Sciences Centre (KHSC) and Providence Care. The Foundation raises money for programs, equipment, education and research that benefit the 500,000 people in Kingston and southeastern Ontario. To find out more about giving opportunities or to make a donation go online to www.uhkf.ca or call 613-549-5452.

**University Hospitals Kingston Foundation's charitable registration # is:
820218147RR0001.**

Each year funds raised by community events provide significant support for our hospitals, and help to improve the care and experience for patients, clients and residents. This is thanks to the hard work of the community organizers, as well as the generosity of businesses and individuals in the community. Thank you in advance for your consideration in supporting "His Fight is My Fight" and this worthwhile cause.

If you can't give but would still like to support the cause, please share the event information with your friends, family members and coworkers. With more people aware of this fundraising event, the closer it will be to reaching its fundraising goal.

Any support you could offer would be much appreciated. Please accept our sincere thanks for demonstrating your commitment to health care in our community.

Sincerely,

Lori Faggiani
Director, Annual Programs
